Teachers Report - Erik Hakim

Advisory council welcomes Erik Hakim to Molly Brant. Erik is from Peel area and is our new Core French Teacher

Having a blast here at Molly Brant. This last week I have had many conversations with teachers from Grade 1 to 8 on how little students know about Indian residential schools. Our Vision is to have all students have an understanding knowledge - Changes have to be made to the curriculum on what is taught. Knowledge is power.

Just in - Co French can be opted out for a native language - Not much information has been provided. Looking forward to provide an update
